Mr. RF Gertenbach

President of the Council for Tobacco Research - USA

900 3rd Avenue

New York NY 10022

A letter

Dear Sir

I intend to submit a research proposal on the individual differences of pulmonary affection due to smoking and request funding of a cross sectional and longitudinal project, according to the suggestion of Director Richard A Carchman (Philip Morris Research Center Richmond Virginia). May I kindly ask for instructions regarding the formalities and rules to be considered?

Sincerely Yours

1992 12 22
